Douglas County Trails and the Pony Express

Douglas County has recently completed in draft form, a conceptual plan for a portion of the Historic Pony Express Trail on the upper portion of the Old Kingsbury Grade Toll Road established in 1850. Douglas County, who was awarded a technical grant, is working with the National Park Service to explore the future development and operation of a multi-use equestrian, pedestrian and bike path on the upper portion of the old Toll Road.

Douglas County purchased this road in 1889 from Henry Van Sickle for \$1,000. From 1860 to 1861 this route was also used by the Pony Express. Today the paved road is in a deteriorated state awaiting a new purpose. Thanks to supporters like the Carson Valley Trails Association and many other trails enthusiasts, the path through this draft plan has a chance to be repurposed and be given a clear identity.

The historical and recreational importance of this future path will be significant. Even though the draft conceptual plan is an important first step the actual improvements are very costly and many years away. I like to compare it to the start of the Stateline to Stateline Bike Path. Many people thought it would be impossible to build a bike path around the Nevada side of Lake Tahoe, yet 10 years later we have completed over 8 miles including the new section from Incline to Sand Harbor.

The ultimate goal of the Historic Pony Express Trail is a path that runs from Genoa to the Van Sickle Bi-State Park. With support from Federal and State funding organizations, private property owners and an engaged community, we will see the development of portions, if not all of it in our lifetime. If you have questions about this plan or any other plan in the County please feel free to call me at 775-782-9829.

CITY

SUPERINTENDENT'S MESSAGE

Lauren Thomaselli
RECREATION SUPERINTENDENT

We are pleased to announce the installation of a new canvas dome over the pool for the winter. The dome allows us to convert the pool from an outdoor environment in the summer to an indoor environment during winter months and provide for year round aquatics programs. The pool features six lanes for lap swimming and a slide during recreation swim. The complex includes a fitness center, full locker rooms, gymnasium with Pickleball and basketball courts. All amenities are included in a single day use fee of \$5/senior, \$4/youth, and \$6/adults. If you suffer from winter time blues come on down to the Recreation Swim Complex and get back in the game of health, fitness and fun!

Located adjacent to the Recreation and Swim Complex is the South Tahoe Ice Arena. The Ice Arena offers open public skate and exciting competitive hockey league play. The Ice Arena features a variety of programs and party options. Visit the South Tahoe Ice Arena website for details <http://www.tahoarena.co/>

While visiting the facilities this winter please take time to view photos and updates on an exciting new project being undertaken by the City of South Lake Tahoe. Plans are currently being developed to build a new and improved Recreation and Swim Complex. The new complex is expected to reflect mountain architecture and make use of the most high tech systems available for energy conservation and sustainability. The new facility will house a competition lap pool and a recreational pool complete with play features and a lazy river. A multi-court gymnasium to host tournament play and private gatherings will provide a year round event venue for residents and visitors to South Lake Tahoe. Pictures of the project will be on display at the current Recreation and Swim Complex as we progress to construction.

On behalf of the City of South Lake Tahoe Recreation Team we thank you for your patronage and encourage you to get out and enjoy the year round playground.
